In the year 1983, the Mangalore Orthopaedic course made a humble beginning. Dr. M. Sudhakar Shetty, with the able support from his colleagues in the Department of Orthopaedics, Kasturba Medical College, Mangalore, especially Prof. M. Shantharam Shetty and Prof. P.K. Usman, strived hard in the years that followed for its success.

Today, this course is anticipated and appreciated by post graduates and budding consultants all over South India.

After the demise of Dr. M. Sudhakar Shetty, the Canara Orthopaedic Society has taken charge of conducting this course and continues to impart Orthopaedic knowledge. The Canara Orthopaedic Society proudly invites you to the 33rd Mangalore Orthopaedic course, scheduled to be held on the 20th & 21st February 2016.

This course aims at promoting Orthopaedic excellence and to help refresh and review your basic Orthopaedic knowledge. We hope you will enjoy the academic feast that awaits you.

WELCOME TO THE MANGALORE ORTHOPAEDIC COURSE

Dr. K. Raghuveer Adiga
President
CANARA ORTHOPAEDIC SOCIETY

Dr. B. Sachidanand Rai
